Table A2.3 My Genius List of Things to Do and Be

Directions:

Add your ideas for Genius Hour. You may not get a chance to work on all of these, but at least your ideas will be safe for later when you can work on them.

- What are you truly interested in producing and creating?
- How will you create, contribute, communicate, connect, collaborate or curate?
- Remember, you are a genius, and the world needs, expects, demands and appreciates your contribution!

Idea	Why?	Date finished	Where have you shared your final product?
